 I love answering this question for our visitors because there's so much to enjoy in Red Wing. The answers range from discovering our vibrant arts & entertainment scene, taking in our beautiful scenery, enjoying the variety of dining & craft beverage hot spots, shopping in our locally owned businesses and learning about how our small town has such great history.

We have Winter & Summer Festivals, concerts and

performances that will keep you entertained throughout the year. See our Checklists in this guide and visit our website calendar for upcoming events to help get the most out of your visit.

ON SNOW

Once the ground is fully covered in a blanket of snow, many other fun activities begin to surface. Take to the slopes on skis or snowboards at Welch Village, which boasts more than 60 slope trails on five different ridges that overlook the Belle Creek and Cannon River Valleys. You can also give cross country skiing and snowshoeing a try on the Cannon Valley Trail, at Mississippi National Golf Links, and throughout the trails in Memorial Park.

ON CHAIRS

If you are not feeling adventurous enough to ride the trails or conquer the paddle board, feel free to simply sit and relax. Enjoy nature's scenery at a picnic table or park bench in one of our parks. Downtown has plenty of benches available for you to take a break while shopping or grab a coffee and just relax. Many of our restaurants include outdoor dining options where you can soak up the fresh air. Best of all, you can even venture with your lawn chairs to Central Park and enjoy the variety of concerts and other entertainment held in the bandshell.

ON WHEELS

Gear up for the trails at the bike station in Levee Park or rent a bike for the day from the St. James Hotel. Once you've got your wheels ready, pick the trail that best suits you!

The Cannon Valley Trail, Riverfront Trail, and Goodhue Pioneer Trail are all paved. Lace up the roller blades, stand atop your skateboard or long board, or hop on your bike and put on some miles. For more adventurous wheelin', hit the new mountain bike trails at Memorial Park or the chairlift-served mountain biking trails at Welch Village.

FAQs

What do we get asked about most often at the Visitor Center?

Q: Is the town named after the shoes or are the shoes named after the town?

A: The town was named after Native American Chief Red Wing in 1823, long before shoes started being produced by Charles Beckman (in 1905).

Q: Can we tour the shoe factory?

A: Unfortunately no, but there's a video at the free Red Wing Shoe Museum that you can watch to give you a glimpse inside the factory.

Q: Do they still make pottery here?

A: Yes they do! Visit Red Wing Pottery & Stoneware to take a tour and see pottery still being made just as it was years ago. For those interested in antique pottery, the Pottery Museum of Red Wing is a must-see!

Q: Where do you suggest we stay during our visit?

A: Everyone has different needs of course. Check out the lodging chart on page 26 to choose the accommodations right for you!

Q: Where is a good place to eat?

A: We have great choices! Check out the dining guide on page 34 to see which restaurants offer breakfast, lunch, dinner, kids menus, and more.

Q: How do we get to Barn Bluff?

A: From Plum St. (Hwy 58), travel east on W 5th St. The trailhead will be on the left after driving under the Hwy 61 overpass. Check out the map on page 23 to help find your way!

Q: Where can we see the bald eagles?

A: Colvill Park is a great spot to search for eagles that come back and nest every year. They're easier to see when the trees are bare in the colder months – spy them perched on tree branches. You can also watch our social media for updates on eagle counts.

Q: Can we walk or bike along the river? Where can we find trails in town?

A: The Riverfront Trail connects Levee Park to Bay Point Park and offers a nice stroll or ride right along the river. You can find other trails for walking, hiking or biking on pages 19 and 23 in this guide. We should also mention the historic walking tour, with information offered on page 13.

Q: Do you have sample itineraries for my length of stay?

A: Absolutely we do. Call or email us at the Visitor Center and we'll be happy to provide an itinerary specific to your visit, or you can go to RedWing.org to find our most popular itineraries.

With seven different playgrounds throughout the city (Universal being the largest), you will have plenty of time to play and be kid! Universal Playground is proud to be handicap accessible.

It is located next to the Red Wing Universal Playground in Colvill Park and is also wheelchair accessible.

Hanging Flower Baskets

The flower baskets that you will notice during a spring or summer stroll have been part of our community for over 27 years. These baskets are made possible through fundraising from the Noontime Kiwanis Club in partnership with the City of Red Wing and the nurseries. Contact Sargent's Nursery to design your own arrangement.

Pollinator Park

Found at the intersection of Main and Broad Streets is beautiful Pollinator Park, a must-see during peak-bloom months. Open to the public, the small park boasts a beautiful butterfly sculpture and is dedicated to the preservation and protection of pollinators.

Butterflies, honeybees, and other pollinators call this park home, but they love visitors! Come say hello and enjoy the park and its paved walkways, a tribute sculpture and benches.

A Historic Treasure The St. James Hotel

HISTORIC CHARM

The St. James Hotel has been a pillar of downtown for more than 150 years.

Work, play, and relax all in one place, the St. James Hotel.

In the heart of downtown is one of Red Wing's "must-stay" locations, the St. James Hotel. It's centrally located to a variety of "must-see" stores and "must-try" restaurants for those on-the-go visitors. The St. James is perfect even for our "staycation-ers," boasting its own unique variety of "can't-miss" shops and restaurants – you'll never want to leave (and you won't have to!).

Hotel Accommodations

The Victorian-style décor inside and outside its walls create a regal feeling of a by-gone era. This, along with 67 guest rooms, luxury suites, free wifi, cable, fireplaces, and whirlpool tubs found in select guest rooms, create a memorable experience.

There is nothing short of extraordinary at the St. James Hotel. The intricate design and detailing – that include wood pieces from Hamline University's first campus (located in Red Wing) – help merge old-world charm with modern accommodations of this comfortable hotel for you and your family.

First-Class Service & Culinary Delights

Do you want first-class service and an array of culinary choices? The St. James Hotel boasts a lovely coffee shop and three quality restaurants on site.

Start your day in the right way with a cup of joe at Clara's Gifts & Coffee adjacent to the lobby. At the Veranda, providing panoramic views of the Mississippi River – with both indoor and seasonal outdoor seating – during breakfast while dining in style. You can find decadent lunch and dinner options here as well.

For a more intimate setting, The Port, located below the lobby, specializes in cuisine from around the Midwest and has an intriguing wine selection, amazing hand-crafted cocktails, and global influenced fare.

Feel like a more laid-back dinner is in order? Found on the top floor, check out Jimmy's Pub, the authentic British lounge. Jimmy's Pub offers a menu of delicious pub-food dinner options and drinks to pair. Check our calendar for live music, trivia, and more! Consider a night-cap and dessert here.

On-Site Shopping and Pampering

Located on the street level of the St. James Hotel, there is a variety of shops and services. River Blu Salon DaySpa offers spa, salon, and nail services. Vestiges, Ltd. offers unique and creative clothing, while Clementine Flowers is where you can find fresh flowers and gifts. You don't have to be a guest at the St. James Hotel to shop – all are welcome!

CULINARY DELIGHTS

Choose from a variety of restaurants with unique fares and wide lists of drinks to pair!

Historic and Quaint Bed & Breakfasts

Beautifully restored B&Bs are a wonderful asset of Red Wing, with each one historic or unique in their own way. Whether their décor, sweet ambiance, or the fact that most come listed on the National Register of Historic Places, these historic and quaint stays are the perfect place to treat yourself to special touches from our welcoming innkeepers.

CANDLELIGHT INN

Create memories at the Candlelight Inn. Elegant Victorian accommodations, culinary delights, and peaceful surroundings set the stage for a relaxing getaway.

MOONDANCE INN

Leave the chaos behind when you stay at the Moondance Inn. Carefully manicured gardens, an expansive yet inviting front porch, warm limestone walls, and spacious, comfortable rooms – it's all for you and no detail has been overlooked.

PRATT-TABER INN

As a restored 1876 bed and breakfast, the Pratt-Taber Inn offers you an invitation to a more gentle time. With an elegant Italianate design, beautiful fabrics, romantic old-fashioned creativity, and more, the comfort will surround you.

ROUND BARN FARM BED & BREAKFAST EVENT CENTER

The historic 1914 Dammon Round Barn beckons you. Surrounded by 35 acres of fields, woodlands, and bluffs, you're sure to find much needed relaxation.

Local Wine, Beer, & Cocktails

Quench your thirst at one of the many establishments in Red Wing.

WINE NOT?

Experience the local wines of Red Wing while walking and exploring the grape vines in a delightful and distinguished vineyard. The finest dining experience in Red Wing is at The Port, where you can enjoy a palate-pleasing bottle of wine from their Wine Spectator Award-winning selection. Located on over seven beautiful acres, Falconer Vineyards and Winery focuses on the use of grapes developed specifically for our cold, mid-western climate.

DIVINE DRINKS

The latest addition to the nightlife in Red Wing offers craft cocktails in a "sit and sip" environment that's unlike any other. Founded in 1886, 223 Barrel House holds the distinction of being the first bar established in Minnesota and offers craft cocktails. For a casual, neighborhood nook with creative martinis, try Bayside Tap & Steakhouse. Don't let the name fool you – Kelly's Tap House Bar and Grill not only has over 60 taps to choose from, but the skilled and friendly bartenders can serve up a bounty of creative, fun and most importantly, great-tasting cocktails! With panoramic views of the Mississippi, The Veranda is a beautiful venue to try one of their famous Art Deco cocktails.

FEELING CRAFTY?

Jimmy's Pub is a cozy, British-style pub where you can sip handcrafted ale at their mahogany bar. Liberty's Restaurant & Lounge has a long list of craft beers to try. Red Wing Brewery offers full flights, take-home growlers, and more! Smokin' Oak offers your favorite craft beers. Enjoy them during happy hour! At Staghead, enjoy the finer things in life like craft beer and a casual, yet decorative setting.
