FAQs

What do we get asked about most often at the Visitor Center?

Q: Is the town named after the shoes or are the shoes named after the town?
A: The town was named after Native American Chief Red Wing in 1823, long before shoes started being produced by Charles Beckman in 1905.

Q: Can we tour the shoe factory?
A: Unfortunately, no, but there’s a video at the Red Wing Shoe Museum that you can watch (for free!).

Q: Do they still make pottery here?
A: As of recently, they do not. However, if you’re interested in antique pottery, the Pottery Museum of Red Wing is a must-see!

Q: Where do you suggest we stay during our visit?
A: Everyone has different needs of course. Check out the lodging chart on page 30 to choose the accommodations that are right for you.

Q: Where is a good place to eat?
A: We have great choices! Check out the dining guide on page 44 to see which restaurants offer breakfast, lunch, dinner, kids’ menus, and more.

Q: How do we get to Barn Bluff?
A: From Plum St. (Hwy 58), travel east on W 5th St. The trailhead will be on the left after driving under the Hwy 61 overpass. Check out the map on pages 23 and 25 to help find your way.

Q: Where can we see the bald eagles?
A: Colvill Park is a great spot to search for eagles that come back and nest every year. They’re easier to see when the trees are bare in the colder months (you can spy them perching on tree branches!). Follow the Red Wing Visitors and Convention Bureau on social media for updates on eagle counts.

Q: Can we walk or bike along the river? Where can we find trails in town?
A: The Riverfront Trail connects Levee Park to Bay Point Park and offers a nice stroll or ride right along the river. You can find other trails for walking, hiking, or biking on pages 19, 22, and 23 in this guide. There’s also a Historic Walking Tour with information offered on page 13.

Q: Do you have sample itineraries for my length of stay?
A: Absolutely we do. Call or email us at the Visitor Center and we’ll be happy to provide an itinerary specific to your visit, or you can go to RedWing.org to find our most popular itineraries. You may also want to check out page 36 (hint hint).

Around the Area

Explore the bluff country that surrounds Red Wing.

Road Trip
Red Wing is surrounded by picturesque landscapes and delightful river towns to explore. When you’re ready to venture outside of Red Wing, we suggest making a loop on the Great River Road (Highway 61) – which stretches across 565 miles and follows the Mississippi River through 10 states! Start by driving south on the Minnesota side for a scenic drive to Lake City and Wabasha.

Lake City
In this lakeside town you can enjoy Lake Pepin and the beauty of the scenic river bluffs from the water by sailing with GEM Sailing MN. You can also shop ’til you drop at Lake Pepin Pearl Button Co. – located in a 150-year-old building – the go-to place for nautical finds, art, antiques, and eclectic merchandise in Lake City. Here you can also check out the new boutique art gallery, Gallery on the Lake, visit the Historical Society Clamming Display, and view an original (and still working!) wooden hand pulley elevator. If you need more time, relax with beautiful views of Lake Pepin from your hotel room at the AmericInn and don’t forget to order pizza for delivery or pick up from Big Bear Pizzeria & Deli.

Wabasha
Next up on the Great River Road, you'll encounter this quaint river town where the National Eagle Center is located. Offering live eagle programs daily, interactive exhibits, and wild bald eagle viewings, this center is located right on the bank of the Mississippi River and is open all year round!

Return to Home Base
After Wabasha, take the MN Highway 60 bridge east across the Mississippi and head north on the Great River Road to loop back up to Red Wing on the Wisconsin side. Make sure to stop at Island Fireworks in Hager City, WI to stock up on fireworks and unique gifts before crossing back over the river to Red Wing via the Highway 63 bridge to relax or continue your adventure. Contact the Red Wing Visitor Center at (651) 385-5934 or visit RedWing.org to start planning your trip.
One Day, Three Ways.

Whether you’re visiting with your family, a group, or your date, Red Wing offers something for everyone to enjoy. We’ve put together three itineraries you can take and run with!

1. **Family Day**
   
   Bringing your family to Red Wing has never been more fun. After you roll into town, sit down for breakfast at Bev’s Cafe before taking a hike on any of our scenic trails. Then for lunch, load up on the pizza buffet at Liberty’s Restaurant & Lounge. Pack your swimsuits for an afternoon at the Red Wing Water Park (summer months only) or your outdoor gear for downhill skiing or snowboarding at Welch Village (winter season only). Stop by the World’s Largest Boot at the Red Wing Shoe Museum for a family photo opp. Grab dinner at Randy’s and try their famous fried chicken before heading back home!

2. **Group Day Trip**
   
   After breakfast and coffees at Mandy’s Coffee & Café, visit museums or the sculpture garden at the Anderson Center at Tower View. Then for lunch, dine on the rooftop of Bayside Saloon & Steakhouse for a beautiful view of the river. Rent a boat from Red Wing Marina to cruise down the Mississippi River. After boating, head to Red Wing Brewery at dinnertime for pizza and beer. End the day by catching a game on one of the many TVs at Andy’s Sports Bar and Grill.

3. **All-Day Date**
   
   Start your date with breakfast at the St. James Hotel before renting bikes from them to cruise around town or venture out on Red Wing’s many biking trails. Enjoy your lunch and breathtaking views of the Mississippi River from the patio of Kelly’s Tap House Bar & Grill. Afterwards, share a bottle of award-winning wine at Falconer Vineyards & Winery. End your evening with a cozy dinner at Marie’s Underground Grill & Tap House followed by a live performance at the Sheldon Theatre of Performing Arts, located in the heart of Red Wing.

POUR ME SOME WINE

Whether you’re a wine connoisseur or just warming up to it, Red Wing offers an opportunity to taste wines local to our area. On the west side of town, you’ll find Falconer Vineyards and Winery spanning across seven acres. Established in 2003, this winery focuses on using cold weather grapes developed specifically for our chilly Minnesota winters. Try a flight or sip on a glass of your favorite wine while enjoying picturesque views from their deck bistro (open seasonally).

We’re warning you: this isn’t just any Bloody Mary – it’s topped with a hamburger slider, hot dog, shrimp, potato chips, doughnut, Canadian bacon…and MORE!
